A MOTORCYCLE MINISTRY
PASSIONATE ABOUT
SHARING CHRIST
WITH THE WORLD

As the Lord inspires practical ministry opportunities, we are diligent to share the Good News of the salvation message of Jesus Christ to every person we encounter.

Bikes Blues & BBQ 2018

SEPT 26-29, 2018 FAYETTEVILLE, AR

Bikes Blues & BBQ Motorcycle Rally

- ▶ **This is the largest non-profit motorcycle rally in the country!**
- ▶ **Proceeds from this rally go to benefit local charities throughout NW Arkansas**
- ▶ **Over 350,000 riders are expected to travel to NW Arkansas for this years rally**
- ▶ **The FAITH Rider Ministry Tent is set up right down in the heart of the event on Dickson Street**

How can you serve?

Share testimonies

With several hundred thousand people coming right by the front of our tent there will be plenty of opportunities for you to share your faith and see many people accept Christ as their Lord and Savior

Administration

During each shift we need several people who can help with the registration process for our drawings and updating our database

Catchers

These are the people who make the initial contact and invite people in to the tent where they could be just 3 minutes away from making the most important decision of their life

Another way to serve

- ▶ **For the last 6 years FAITH Riders has also taken care of the aluminum can recycling for this rally. All the aluminum cans are collected and the funds generated from the recycling are donated to “Restoration Village”. This is a ministry that provides housing, counseling and guidance to women that need a new chance at life. They could be recovering from alcohol or drug addiction or getting out of an abusive relationship or possibly recently been in jail and need a chance to hit “RESET” on their life. These volunteers will be working in the music venue emptying recycle bins and clearing cans from tables.**

NWA has some great roads to ride while you are here!

One of the best rides in Arkansas is the Pig Trail which is not far from Fayetteville
