

3-Minute Testimony Worksheet

“Many of the Samaritans from that town believed in Him because of the woman’s testimony...” Jn. 4:39

MY LIFE BEFORE I MET CHRIST: _____

HOW I MET CHRIST: _____

And one day I learned that.

- My problem is that I am a sinner – in fact everybody is (Rom. 3:23)
- Sin separates us from God now - and forever (Isa. 59:2, Rom. 6:23a)
- We can’t fix the sin problem by trying to be good (Isa. 64:6, Titus 3:5, Eph.2:8-9)
- Jesus died and arose to solve our sin problem (Rom. 5:6-8, Col. 2:14)
- God wants us to TURN from our sin [repent] (Acts 2:38, 2 Cor. 7:10)
- & TRUST Christ alone to forgive & save us from our sins (Jn. 3:16, Rom. 10:9-11)
- And He will! (Rom. 10:13)

So I prayed something like this.

Dear God, I know that I am a sinner and I am sorry for that. I believe that Jesus died on the cross for my sin and then arose. Please forgive me for all of my sins & help me turn from them. I now confess you as my Lord and Savior and trust you alone for my salvation. Thank you for the free gift of eternal life. Amen

3-Minute Testimony Worksheet

“Many of the Samaritans from that town believed in Him because of the woman’s testimony...” Jn. 4:39

MY LIFE NOW: _____

(Optional: Personal Illustration of His Grace in a time of need) _____

Transition:

Since I really trusted Christ to be my Lord and Savior, my life has never been the same. Do you remember that prayer I prayed? That is when I called upon Him to save me and that is why my life is so different now. I simply prayed something like this:

Dear God, I know that I am a sinner and I am sorry for that. I believe that Jesus died on the cross for my sin and then arose. Please forgive me for all of my sins & help me turn from them. I now confess you as my Lord and Savior and trust you alone for my salvation. Thank you for the free gift of eternal life. Amen

Is that what you’d like to say to God? Would you like to know that your sins are forgiven and that you belong to the family of God? Are you willing to turn from your sins and trust Christ to do that right now?
